SPRING VALLEY METROPOLITAN DISTRICT NO. 6
2026 BUDGET MESSAGE

Spring Valley Metropolitan Districts 1-6 are quasi-municipal corporations organized and operated pursuant to provisions set forth in the Colorado Special District Act.

The Districts have no employees and all operations and administrative functions are contracted.

The following budget is prepared on the modified accrual basis of accounting.

The Districts were formed with the primary purposes of 1) to finance construction of public improvements as defined in the Service Plan for the Districts and; 2) to operate and maintain such public improvements that are not otherwise dedicated or conveyed to the County of other governmental entities and to provide for all or part of the Public Improvements, as defined in the District's Service Plan, for the use and benefit of all anticipated inhabitants and taxpayers of the Districts. District No. 1 is the District responsible for overall community administration, operations and maintenance, and Districts Nos. 2-6 will provide funding for such costs. District No. 1 is also responsible for construction of public improvements that benefit the overall community and Districts Nos. 2-6 will provide funding for such costs via the issuance of bonds, the proceeds of which are transferred to District No. 1 to fund the cost of the public improvements.

Budget Strategy

The District's strategy in preparing the 2026 budget is to strive to provide the scope of services defined in the service plan in the most economic manner possible.

Revenues

In 2026 the District will impose a total of 75.000 mills, adjusted for state-wide changes in property tax assessment calculations to 84.700 mills. Of this total mill levy, 71.964 mills are dedicated to debt service on the Series 2021 Bonds, 9.552 mills are dedicated for use by District No.1 for overall community operations, and the remaining 3.184 mills are levied as an operating mill levy that will generate property tax revenue to be used towards General Fund expenditures.

Expenditures

The District has adopted three separate funds: 1) a General Fund to provide for general operating expenditures; 2) a Debt Service Fund to provide for debt service on the Series 2021 Bonds and; 3) a Capital Fund for capital expenditures and infrastructure acceptances.

The District has budgeted a portion of the fund balance in the General Fund to be set aside for Emergencies in accordance with the TABOR Amendment.
